Old Business:

- Stacey Johnson of American Canyon contacted Northwoods and conveyed they will not be doing any programs this year at the club.

New Business:

Sonoma County Bowmen's is having difficulty maintaining its outdoor range because not enough people are stepping up to work on it. We field the idea that our club could help them out; perhaps have a camping weekend to work there.

Greg's computer is no longer operative. We voted to have the club buy a laptop for Greg to use for membership and club business. This would be returned to the club and passed on to a new membership person, should Greg vacate his membership chair position. Todd moved, Bryan seconded, all approved.

Todd bought 10" stencils to paint numbers on the lanes.

We discussed the necessity to have a new member orientation before issuing keys to new members. New members need to be apprised of the rules, alarm, etc.

We discussed having ITA instructors encourage becoming a member to "students".

Ruth obtained garbage service to begin May 12. A can will be delivered on May 5. Ruth will contact the Park Haven homeowners association to see if we can leave the can somewhere at the bottom of hill in their complex.

We discussed have signage directing to the club. We will look into permits/approvals from City of Novato and homeowners association of Park Haven complex. We would like to have a sign at Oliva and Novato Blvd.

Motion made to adjourn by Todd. Seconded by Greg and approved by voice vote.
