Range: No report. Todd and Shawn not present.

Awards: provided by Bryan: Scores are being tracked. Bryan would like to give trophies for first place winners of leagues and championship shoots, and ribbons for second and third place. Clarification was made that League and championship (the last shoot of each league) were tracked separately and awarded separate awards. Jason suggested that designation of "M" for member and "G" for guest be put next to the names on the score sheets. Guests are not eligible for awards.

Web & Publicity: provided by Jason: The issues noted with the web site regarding iPhone access to certain content have been resolved. There were only 30-40 "hits" per day in July, down from prior months. Ruth suggested this was due to summer vacations. Jason looked into a website called <http://whatshappeningcalendar.com> that has an online community calendar. Keith asked Jason if he could design a flyer for the Toys for Tots shoot to be distributed to local clubs and archery stores. This is an event sponsored by Northwoods the Sunday after Thanksgiving and draws participants from the local area. Please take a moment to view the web site at <http://northwoodsbowmensclub.org/>. The scoring can be found at <http://northwoodsbowmensclub.org/members/leagues/>.
