JOAD: no report – Doug not present.

Old Business:

- Range sponsored shirts – The new digital design "press on" logo's have been received. Keith will investigate use of the professional press for the club. A source for shirts, sweatshirts and hoodies needs to be pursued.
- Permanently mounted fans for the club – will need new electrical panel installed
- Proposed once per month certified trainers meeting. - Joe, Jason, Doug, Todd
- Arrows to be ordered for JOAD and ITA use only.

New Business:

- Bob mentioned that there has been interest from club members in purchasing the "press on" logo's. Members wish to attempt adhering them to garments on their own. It was suggested that they be made available (secured) at the barn. The cost of the logo's will be \$5.00 for the B&W and \$8.00 for the color.
- Keith heard from a company the saw the Marin IJ article and offered to mount it on mahogany for \$209.00 shipping inclusive. Once received we would have 10 days to return, if we choose, without penalty. It was decided we would investigate the cost to make one locally. Bob will investigate Tap Plastics offerings.

- Bob noted the calendar for next year didn't reflect the January shoots (CBH State Indoor and NFAA Indoor). In prior years this has been something of a last minute activity and we would like to better plan for these activities should we choose to host. Doug has the contacts and Shawn will attempt contact and take needed steps to prepare for the shoots.
- Shawn would like to see a monthly newsletter published by the club. Jason will look into the costs for setup.
- Jason has been pursuing and location for an outdoor range. He put out some "feelers" with private land owners. Also he researched "pop-up" targets as suggested in last meeting and have not found any of quality.

Motion made to adjourn by Bob. Seconded by Greg and approved by voice vote.
